Requirements for organizations seeking a partnership arrangement with Hong Kong UNESCO Global Geopark

(1) Be committed to geoconservation and the promotion of Hong Kong UNESCO Global Geopark.

(2) Facilitate the promotion and operation of geopark tours recommended by Hong Kong UNESCO Global Geopark.

(3) Display or exhibit at prominent places in the venue(s) of the programme science popularisation and Hong Kong UNESCO Global Geopark messages following the geopark communication concepts.

(4) Provide products which will help promote geopark branding.

(5) Ensure staff members in charge of the programme undertake geopark familiarization training. Designate staff member(s) of managerial grade to address to the geopark-related enquiries.

(6) Undertake to work closely with Hong Kong UNESCO Global Geopark with a view to achieving the key objectives set by the Global Geoparks Network.

(7) A partner meeting the above requirements may use the Hong Kong UNESCO Global Geopark logo (attached) as confined to geopark related products or activities agreed by Hong Kong UNESCO Global Geopark.

(8) Either party may terminate this arrangement without advance notice by giving notice to the other in writing.
